Clinical Guidelines for Fixed and Removable Prostheses
Speaker: Steven J. LoCascio, DDS

PROGRAM DESCRIPTION:
This program will provide a literature-based, systematic approach aimed at helping clinicians with treatment planning and the decision-making process for edentulous and partially edentulous patients with fixed and removable prostheses. This process requires balancing patient preferences and finances with a number of clinical factors. Because the choice of fixed versus removable options for both provisional and definitive prostheses is often the most difficult step in treatment planning, special attention will be given to considerations for both.

PROGRAM OBJECTIVES:
At the end of the program, the participant should be able to:
- Understand the literature pertinent to planning treatment of edentulous and partially edentulous patients.
- Identify the indications and contraindications of treatment with fixed and removable implant prosthodontics.
- Understand that patient preferences may be different from patient needs and be able to explain the economic differences between fixed and removable prostheses.
- Understand how to provide patients with short- and long-term interim teeth during the course of implant therapy.

Speaker: Steven J. LoCascio, DDS
Dr. LoCascio received his dental degree from Louisiana State University School of Dentistry in New Orleans and completed a General Practice Residency at the Medical Center of Louisiana, Charity Hospital. He returned to the School of Dentistry at Louisiana State University where he was awarded specialty certificates in Prosthodontics and Maxillofacial Prosthetics. Dr. LoCascio is a Clinical Associate Professor in the Department of Oral and Maxillofacial Surgery at the University of Tennessee Medical Center in Knoxville, Tennessee and a Clinical Assistant Professor in the Department of Prosthodontics at Louisiana State University, School of Dentistry, in New Orleans, Louisiana. Dr. LoCascio maintains a private practice limited to prosthodontics and maxillofacial prosthetics in Knoxville, Tennessee.

REGISTRATION AND CANCELLATION POLICY
In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. BIOMET 3i reserves the right to cancel courses that do not meet minimum enrollment no later than 14 days prior to the course date. BIOMET 3i is not responsible for reimbursement of a non-refundable airline ticket or any other travel expenses in the event that a course is cancelled. In the event that a registrant needs to cancel, written notification must be sent to 3ipbg-edureg@biomet.com.

ADA CERP
BIOMET 3i is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. BIOMET 3i designates this activity for 4 continuing education credits.

TRANSPARENCY REPORTING
All payments and “transfer of value” items provided to health care providers will be reported as required by federal and state laws and regulations. “Transfer of value” items include meals and continuing dental education credits.

DATE:
Friday, November 6, 2015
TIME:
Registration: 8:00 am
Seminar: 8:30 am – 12:30 pm
VENUE:
The Armstrong Center Auditorium
13040 Abercorn Street
Savannah, GA 31419
912-344-2555

CONTINUING EDUCATION:
4 Credits

PROGRAM FEE:
Complimentary
