PROGRAM DESCRIPTION:
Patients with debilitated dentition often seek rehabilitation to quickly regain their confidence and quality of life. Immediate full-arch restoration can be an excellent solution for meeting patient demands and expectations. This full-day program demonstrates a step-by-step, practical approach to both delivering a provisional full-arch prosthesis on the day of implant placement and later creating an aesthetic, functional definitive prosthesis.

PROGRAM OBJECTIVES:
At the completion of the program, participants should be able to:

- Understand the scientific basis for immediate occlusal loading of edentulous jaws.
- Use a decision tree to determine which patients are the best candidates for immediate full-arch therapy.
- Develop a plan for fabricating an immediate full-arch provisional restoration with the aid of the DIEM® 2 Guidelines.
- Identify the surgical and prosthetic components required for clinical treatment.

PAULINO CASTELLON, DDS
Dr. Castellon received his dental degree from the University of Guadalajara, Guadalajara, Mexico, and attained his Certificate in Prosthodontics at the Louisiana State University School of Dentistry where he also completed a Fellowship in Aesthetic and Implant Dentistry. His professional affiliations include the Academy of Osseointegration, the American College of Prosthodontics, the International Association for Dental Research, the American Dental Association, the North Texas Hispanic Dental Association and the Dallas County Dental Society. Dr. Castellon is a Gratis Associate Professor at the Department of Prosthodontics at LSU School of Dentistry. He has authored several publications with a focus on implant dentistry. Dr. Castellon maintains a private practice limited to Prosthodontics in Dallas, Texas.

The Institute for Implant and Reconstructive Dentistry is the Training and Education Department of BIOMET 3i LLC.
For the educational event to be held by BIOMET 3i on October 23, 2015 entitled Clinical Guidelines for Full-Arch Rehabilitation of the Edentulous Patient, BIOMET 3i is offering to U.S. based offering:

- Complimentary program.
- Two nights lodging (Thursday, October 22 and Friday, October 23) at PGA National Hotel, 400 Ave of the Champions, Palm Beach Gardens, FL 33418. BIOMET 3i will make lodging reservations once registration is confirmed.
- Transportation from PGA National Hotel to BIOMET 3i / Institute for Implant & Reconstructive Dentistry.
- Continental breakfast and lunch on October 23, 2015.
- Reimbursement of one round trip coach airfare ticket up to $350 from the clinician’s home city to Palm Beach International Airport (arriving Thursday, October 22 and departing Saturday, October 24). Air travel must be booked through the BIOMET 3i travel agent. Once registration is confirmed you will receive detailed instructions. If the clinician chooses to drive to Palm Beach Gardens for the educational event, reimbursement for mileage will be made up to $350 based on current business mileage reimbursement rates as issued by the IRS. To receive airfare/mileage reimbursement, please obtain the necessary expense reimbursement form from BIOMET 3i. A copy of the completed expense reimbursement form needs to be submitted to BIOMET 3i within 30 days of the event, along with the airfare receipt and a completed IRS Form W-9.

Certain state and federal laws require disclosure of information on compensation, reimbursement, or other expenses paid by BIOMET 3i to clinicians. In this regard, clinician agrees to complete any such reporting forms and to comply with any additional information requests from BIOMET 3i. Once so reported to the applicable state and federal agencies, such information may be publicly accessible.

REGISTRATION AND CANCELLATION POLICY

Registration is limited to practicing clinicians. In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. BIOMET 3i reserves the right to cancel a course no later than 14 days prior to the course date. Please be aware that BIOMET 3i is not responsible for reimbursement of travel expenses in the event that a course is cancelled.

ADA CERP

BIOMET 3i is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. BIOMET 3i designates this activity for 6 continuing education credits. Continuing Education credits awarded for participation in the CE activity may not apply toward license renewal in all states. It is the responsibility of each participant to verify the requirements of his/her state licensing board. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

TRANSPARENCY REPORTING

All payments and “transfer of value” items provided to health care providers will be reported as required by federal and state laws and regulations. “Transfer of value” items include meals and continuing dental education credits.

The Institute for Implant and Reconstructive Dentistry is the Training and Education Department of BIOMET 3i LLC.
